

## ULINDA SAFARI TRAILS PACKING LIST

It is advisable to wear a number of thin layers to peel off as the day heats up. Winter or the dry season runs from May- October and weather typically is warm during the day and can be cold at night and early morning. September and October can become very hot preceding the start of the rains. Summer or the rainy season runs from November to April and as a guide is hot during the day and cooler at night with rain showers possible. Please try to pack using a soft bag and limit weight to under 15-20 kgs including hand luggage.
